

APPLICATION

- How can you move from expressing your love in words to actually doing it through service? Who in your current relationships do you need to exercise this truth on?

- What habit or thinking do you think God wants you to change so you can serve others with the right heart?

- 1 Peter 4:10 tells us to use the gifts we have received to serve others. Share one talent or skill that you think you can use to serve the people in your home, work, or church. Ask help from your group to identify opportunities where you can express this.

- Can you recount a situation when a church volunteer made a positive impression on you? What about the volunteer did you notice? How did that experience make you feel?

PRAYER

- Pray that the Lord will help us see those opportunities when we need to show our love by serving.
- Intercede for the new volunteers who signed up for the year that they will have the excitement and commitment to serve and for fruitfulness and maturity to be upon them in their respective ministries.
- Pray that the EN2010 Philippine registration on March 1, 2010 will be smooth and successful.
