

APPLICATION

- Reflect on I John 4:7-14. How do you relate with the people in your home, neighborhood, school, or work? What ways can you change to better love them as God loves you?

- Love for others can be expressed in simple and practical ways like lending a helping hand or a listening ear. What do you have right now that you think you can share with others?

- Matthew 25:34-40 says that God rewards the kindness that we show to others. How far will you go in helping a relative, a friend, or a stranger in need?

PRAYER

- Pray for the husbands and wives in the church, that their relationships will be strengthened as they lead their families. Pray also for the grace to forgive and love one another unconditionally.
- Intercede for grace for the church to live out Christlike love in their homes, workplaces, and communities, and connect people to God through this.
- Pray for the EN2010 Committee as they prepare every detail of the conference, including the EN2010 Philippine registration on March 1, 2010.
